### FINAL SESSION OF THE ALABAMA DISTRICT ASSEMBLY

Nineteen hundred eighty-three marked a significant parallel between the Church of the Nazarene in general and the Alabama District Church of the Nazarene in particular as both celebrated their Seventy-fifth Anniversary. A special 75th Anniversary book was prepared, which traces the history of Alabama District with pictures of early beginnings and present-day facilities together with the pioneers and present pastors who have played such a significant role in the establishment and maintenance of the church.

The Alabama District Assembly of 1981 voted to create two districts at the annual assembly of 1983: Alabama North and Alabama South. The culmination of the division occurred on May 5, 1983 at Cullman with Dr. Orville W. Jenkins presiding over the North and Dr. Charles H. Strickland presiding over the South.

NDI Chairperson's Report

Bruce W. Hudson

We are continually grateful to our brothers and sisters in Christ across the Alabama North District for their continued service to the Kingdom of God. Each event has been well supported this year and we want you to mark your calendars and be involved this coming year!

June 16-19 Children's Camp at Marshall Baptist Retreat Center

August 16 Back to School Bash at Cullman Aquatic Center

September 20 Women's Retreat in Cullman

October 24-26 Prime Time Retreat at Shocco Springs

Children's Quizzing starts the 2<sup>nd</sup> Saturday in September. Churches and families, make this a priority investment. Reach out to get started. We are here to help!

Our core principles have not changed.

Fervent Prayer  
Compassionate Outreach  
Comprehensive Biblical Learning  
Intentional Mentoring and Equipping  
Authentic Relationships

The previous year we focused on the building of relationships turning them from acquaintances to friendships through fellowship. This last year growing the friendships and now we want to develop this into communities of holiness. Holiness of heart and life is experienced both individually and corporately. Holiness is the life of the church. Longing for the connection to the one who makes us holy.

The examination of these two thoughts can help us:

Too often we think of discipleship as the passing on of information/knowledge rather than it being a close friendship that allows the disciple to see what it means to have fellowship with the father in all of life's circumstances.

AND

The goal of discipleship is the end product of fellowship with the Father: Holiness. We experience this individually, corporately, and long for others to find the joy in what we call the sanctified life.

Deep within me is the desire to see our people clearly understand the difference holiness makes in their lives. Join me in prayer for God to move among and through us this year.

Keep reporting your statistics!

## 2025 Alabama North NYI Convention President's Report

Alabama North District Church of the Nazarene Convention Day  
Gardendale Church of the Nazarene  
Saturday, April 12, 2025

### Welcome and Voting

*Bethany Martin and Jeremy Hagood*

- Bethany welcomed all to the NYI Convention.
- Jeremy introduced and ran the election process.

### Introduction

*Bethany Martin*

NYI – Nazarene Youth International – has, for over 100 years, called our generation to live a dynamic life in Christ. NYI exists to:

- **BE** (Evangelism)
- **DO** (Discipleship)
- **GO** (Leadership Development)

#### **Evangelism – BE:**

Teen Camp is a time for youth to “BE.” Last year, around 60 teens gathered as Pastor Meril Chaplin (Gallatin First Church) spoke about abiding with God. This year’s Teen Camp will be June 8–12 at Dotson Baptist Camp with Pastor Jacobi Campbell.

#### **Discipleship – DO:**

We “do life together.” This year:

- A college fund was created to stay connected with our students.
- Carol Isom visited students at Trevecca with snacks and encouragement.
- A scholarship fund was established to help teens attend NYI events.

#### **Leadership Development – GO:**

- Hosted the Southeast Field NYI meeting at Camp McDowell.
- Aaron Martin attended **Third Wave**, a global leadership conference.
- Three youth workers attended **Fuel**, a retreat sponsored by Trevecca's Calling Cooperative.

Bethany shared her excitement to hear from youth throughout the report, affirming that **young people are part of the Church**, not just NYI.

### **NYI Introduction Video Played**

### **The Becoming Conference**

*Angela Sumitra*

- Two-track conference at Trevecca, June 24–28, 2025:
- **YES Track** (9th–12th): exploring a call to pastoral ministry
- **Mission Nashville Track** (7th–12th): for students interested in other callings but growing as disciples

Angela shared how serving at a daycare and café in Mission Nashville showed her the value of creating sacred spaces for children.

**Early bird deadline: April 25.** Contact James Dolinger to register.

### **Pastor’s Kid Retreat**

*Luke Sessions*

- Record attendance: 8 teens and 2 adults in 2024
- Held at **Laguna Beach Christian Resort**, Oct 3–5, 2025
- A powerful time of connection with PKs across the Southeast Field
- Contact Bethany or Seth Martin for info

## District TNT (Top Nazarene Talent)

*Addyson Shadden*

- Over 150 attendees in 2024, up by ~50 from the previous year
- Events in art, academics, music, drama, worship arts, and sports
- Hosted again by **Covenant Church** (Nov 7–9, 2025)
- Addyson shared how TNT helped her connect, grow, and glorify God through her talents.

## Third Wave

*Bethany Martin & Aaron Martin*

- A global forum for 18–29-year-olds hosted by the Global NYI Office
- Previously held in Ecuador, South Africa, Thailand, Costa Rica, India, and most recently **Orlando, FL**
- Each field sends only 5 participants – Aaron Martin represented the **Southeast Field** in 2025
- Aaron shared his experience and growth from attending

## Winter Retreat / Breakaway

*Isaiah Davis*

- Held at **Camp Sumatanga** with ~40 students
- Led by Jamie Beard
- Isaiah shared how the event was a spiritual reset in the school year

## TNT @ TNU

*Grant Wilson*

- Annual Southeast Field event at **Trevecca Nazarene University**
- Emphasizes unity, fellowship, and using talents for Christ
- Our district: **87 students and 35 adults** going in May
- Grant shared how TNT @ TNU connected him with others and showed him how sports can be a way to experience God

## NYC – Nazarene Youth Conference

*William Randolph & John Parrish*

- **NYC 2026** Promo Videos Played
- Held every few years, most recently in **Tampa, FL** with 10,000+ attendees
- William shared how NYC 2023 answered his doubts and renewed his faith
- John Parrish shared info about NYC 2026 in **Salt Lake City**: cost, registration, etc.

## Closing Remarks

*Bethany Martin & Jeremy Hagood*

- Gratitude to the Alabama North NYI Council
- Executive Council: Joe Hughes, Jeremy Hagood, Daryl Randolph
- Zone and student reps
- DS Arnie Wilson for his support
- Encouraged following **Alabama North NYI** on Facebook and Instagram
- New **NYI merch** available: polos, hats, and sweatshirts
- The NYI mission continues: to come alongside the youth and college ministries of Alabama North

**Election results, Financial Report, and Budget** were shared by Jeremy Hagood and approved.

**Respectfully Submitted,**

*Bethany Martin*

**ALN NYI President**

## PLAN OF EXAMINATION

### A. BOARD OF MINISTRY

Rev. Arnie Wilson (ex officio—District Superintendent)

Rev. Lewis Martin( ex officio – District Secretary)

Rev. Luis Arguedas (ex officio – Hispanic Director),

Rev. Huey Davis (chair)

Rev. Bruce Hudson (Ministerial Studies Sec'y),

The Church of the Nazarene is committed to preparing its ministers for a lifetime of effective service. In addition to experience gained through serving in the local church and other settings, there are educational requirements that must also be met.

The goal is for every Nazarene minister to develop certain abilities and capacities by completing an array of studies and practicums called the Course of Study (COS). Those seeking ordination in the Church of the Nazarene must complete a Course of Study program that has been approved (validated) by the General Board and Board of General Superintendents. Both degree and non-degree validated COS programs are available.

### [Non-Degree Programs](#)

- [Modular Course of Study Program \(MCOS\)](#)

Instructors and continuing students may use this link to access course materials and resources for this program in English, Spanish,

French, Korean, and Portuguese. There is limited availability of these materials in some languages other than English.

The Modular Course of Study (MCOS) Program is to be **discontinued** soon after the release of the new non-degree Course of Study program currently in development. The anticipated release date of the new program is mid-year 2025.

Individuals presently completing MCOS courses in preparation for ordination may find it helpful to transition now to other validated Course of Study programs in anticipation of the discontinuation of the MCOS. Students who delay transitioning until termination of the MCOS will be assisted by their district Board of Ministry based on directives supplied by the Global Clergy Development office. Every effort will be made to award credit for all MCOS courses completed by those students who transition into the new non-degree program or into another non-degree program. The transition timeline for students who do not speak English will reflect the timeline for completion of the new COS program in other languages.

**We, your Committee on Nominations, submit the following report:**

We, your Committee on Nominations, submit the following report:

I. We, your committee for Nominations, recommend the following guidelines for Nominations and Elections

- A. That we have a 4-year rotating plan for District Advisory Board service. When an elder or a layperson has served four consecutive years on the Advisory Board, they shall not be eligible for nomination, election, or appointment until they sit off the board for one assembly year. Neither will an elder or layperson who has served a term shorter than four years be nominated, elected, or appointed for a term, if served in its entirety, would exceed four years consecutive service, except for those who have been elected or appointed for a term of less than one full year.
- B. That a pastor or layperson shall not be nominated, elected, or appointed to the Advisory Board from a church receiving regular financial support voted or controlled by this board.
- C. That the Board of Ministry, Court of Appeals, the Alabama Nazarene School of Ministry Representative, shall be nominated by the District Nominating Committee and elected by adoption at the District Assembly.
- D. That the District Advisory Board shall serve as the District Board of Church Properties.
- E. That a qualified nominee be in harmony with Manual and be a member of a local church that has paid their budgets for the preceding year and that any layperson has endorsement of the local church pastor.
- F. That the Trevecca Nazarene University Trustees be elected as per the Trevecca Nazarene University By-laws.

II. We, your Committee on Nominations, recommend the following for ADOPTION:

## **Finance Committee Report**

### **I. INTRODUCTION (MISSION AND STEWARDSHIP STATEMENT)**

The Alabama North District Church of the Nazarene exists to “Proclaim Him, admonishing and teaching everyone with all wisdom, so that we may present everyone perfect in Christ” (Col. 1:28, NIV). Our faithful financial stewardship is necessary to accomplish this mission in North Alabama and around the world. Proverbs 11:24 (TLB) teaches “it is possible to give away and become richer!” The collection of the District Budget and other assigned funds is essential to the success of our mission.

Therefore, we, your Assembly Finance Committee, recommend:

1. That each pastor and church board give careful attention to the Manual statement regarding Christian stewardship (par.38ff.), particularly stressing the Bible plan of storehouse tithing as the basis of supporting the church; that September be designated as Stewardship Month; that stewardship literature be distributed, appropriate sermons be preached, and the congregation of each church be challenged to make commitments regarding tithes and offerings (Malachi 3:8-12).
2. That each pastor and church board study the total financial responsibility of the church at the beginning of each assembly year and set up a proposed local budget to include a plan for raising and distributing funds for all general, education, and district obligations as well as for the operations of the local church.
3. That treasurers keep careful record of all separate funds and balances, correctly posting all expenses using Nazarene accounting format as outlined on the pastor’s annual report and the Unified Church Treasurer’s System; that detailed monthly reports be given using this format, and that annual reports be prepared in the same way for report to the congregation and for pastor’s report to the district assembly. All church treasurers should follow the duties outlined in the Manual and have accounts audited. Two money counters are required.

### **II. CALCULATION OF A LOCAL CHURCH’S WORLD EVANGELISM FUND, PENSIONS & BENEFITS AND EDUCATION ALLOCATIONS**

1. That the World Evangelism Fund (WEF), Pensions and Benefits and Education (TNU) allocation be based on the plan adopted by the Board of General Superintendents and the General Board asks each local church to give at least the following percentages of their income:

World Evangelism (WEF) 5.0%

Pensions & Benefits Share 2.0%

Education Share (TNU) 2.5%

2. All World Evangelism and Pensions & Benefits monies are to be paid at [www.ftm.nazarene.org](http://www.ftm.nazarene.org) or mailed to: Global Ministry Center; Attn: Donor Services 17001 Prairie Star Parkway, Lenexa, KS 66220-7900

3. All Education (TNU) monies are to be paid at [www.trevecca.edu/give](http://www.trevecca.edu/give) (click on “Make a Church Educational Budget Payment” or sent to: Trevecca Nazarene University, 333 Murfreesboro Pike Nashville, TN 37210

### **III. CALCULATION OF A LOCAL CHURCH’S DISTRICT ALLOCATION**

1. That each church supports the District program by giving to the District program 5.0% (**five %**) of the local church income.
2. The District Allocation should be mailed each month to: AL North District Church of the Nazarene, PO Box 5730, Huntsville, AL 35814 (**New mailing address to be provided by June 2022.**)
3. The District Superintendent will carefully monitor the district budget payments to make sure each responsibility is being met, and the District Advisory Board will make a quarterly review of allocation payments, encouraging local churches to participate at the level provided by this report.
4. Each church treasurer and pastor is encouraged to use [ftm.nazarene.org](http://ftm.nazarene.org) to find out the exact amount that should be paid. If your church treasurer or pastor does not have an account with [fundingthemission.org](http://fundingthemission.org) please contact the district secretary and she will enroll the church.

### **IV. MINISTERIAL SUPPORT**

1. That a pastor's salary be at least equitable with the mean income of church families; that the church board consider the pastorate a 24-hour-a-day responsibility, and compensate their minister accordingly; that the pastor's salary be reviewed by the local church board at least annually, with consideration given to the increase

- in the cost-of-living index; and that the district superintendent, on his annual visit, meet with the church board to review the pastor's salary.
2. That churches pay all hospitalization insurance for their pastor and his family, and all self-employment taxes.
  3. That churches participate in the Nazarene Benefits USA 403(b); that each church board make deposits into the Fidelity 403(b) program for each pastor and full-time staff member the greater of \$3,000 per year or 3% of cash salary and that where possible the pastor and full-time staff member match this portion.
  4. That the local church provide adequate housing for the minister; that when a parsonage is provided, major appliances be furnished in accordance with the pastor's needs, that the church pay all utilities, including fuel, electricity, water, contents insurance (renters insurance), whether or not the parsonage is church owned; that a church owned-parsonage be inspected annually to provide for adequate maintenance.
  5. That business and professional expense not be included as part of the minister's salary. They are business costs of the church and should be reported as "Local Church Expense", not as "Salary" or "Employee Benefits."
  6. That automobile expenses relating to church work be fully reimbursed to the minister at the current recommended IRS rate; that other travel expense, meals and lodging be fully reimbursed when out of town on church business; that the church board make arrangements for care of the minister's children, if needed, at those times.
  7. That the pastor be granted and strongly urged to take off two days each week, in addition to holidays.
  8. That the pastor be granted vacation time with pay based on the length of his/her service with the Church of the Nazarene, and not just a local congregation, according to the following schedules of accumulative service: 1-5 years, two weeks; 6-10 years, three weeks; 11-19 years, four weeks; 20-29 years, five weeks; 30 years and over, six weeks. We further recommend that a pastor's compensated time off for church related activities (i.e. camps, Ministers' & Mates' retreat, General and District Assemblies, etc.) not be counted as part of his/her annual vacation.
  9. That the pastor be given an annual option of one of the following: (1) One week off for professional leave. This would not be a vacation, but a serious means of strengthening ministry and service. No minister can keep high standards without planned and consistent learning. This could include attendance at a minister's workshop; (2) a one-week revival during the year. We are concerned that pastors limit their activity in this area so that the church can adequately support our dedicated full-time evangelists.
  10. In order to encourage a healthy pastoral ministry and strong spiritual life of the pastor, the church board, in consultation with the district superintendent, should provide a sabbatical leave for the pastor during each seventh consecutive year of service in one congregation. The timing and duration of the sabbatical shall be determined in consultation with the pastor, church board and district superintendent. It is strongly urged that the pastor's salary continue in full and the church board provide for pulpit supply during the sabbatical period. This topic is to be addressed by the district superintendent as part of the church/pastoral review process that would come after year two and again in year six, once the viability of continuing the relationship has been established. Materials shall be developed and distributed by the Global Clergy Development office to guide local congregations in establishing and implementing a sabbatical leave policy and procedure. At the church board's discretion, such a program may also be implemented for a member of the pastoral staff.
  11. That should an active pastor become seriously ill, it would be a Christian gesture on the part of the church to give him or her a sick leave with full pay for a minimum of 90 days. If the illness should be longer, the termination of the leave would be up to the discretion of the local church board.
  12. That each church provides a library allowance for the pastor.
  13. That the local church, when calling a new pastor, assumes the full cost of moving expenses.
  14. That pastoral staff appreciation be provided as an essential part of morale building and maintenance. We urge our churches to plan a "Pastor Appreciation Day" each year and that, when possible, the pastor and pastoral staff and spouses be remembered on birthdays and anniversaries.
  15. That a Christmas gift equal to a week's salary be given the pastor, and all other full-time church employees, the first week in December.

## **V. EVANGELIST'S COMPENSATION**

1. That each local church board reviews the compensation paid to evangelists who are devoting their **FULL TIME** to this work. We must give support that is comparable with current salaries and costs of living to these dedicated servants of God. A recommended formula would be at least double the amount of the pastor's salary for that period of time. In addition, the church should pay the travel expenses of the evangelist to and from the local church.
2. That if a church cancels a revival without sufficient notice to the evangelist, that church should consider its financial responsibility to the evangelist. If cancellation is less than sixty days prior to the opening date, the local church give consideration to paying the evangelist one half of the salary he would have received.
3. That since the month of December is normally a very slack time for an evangelist, we urge each church to send a "love offering" at Christmas to each evangelist they have had during the year.
4. That the district subsidize through district budget funds the health insurance for **full time** (full time being 30 meetings per year, outside their home church) registered or commissioned evangelists or song evangelists who are members of the District by matching up to \$100 per month given by a local church for evangelist insurance as district funds are available.

## **VI. DISTRICT MINISTRIES RECOMMENDATIONS**

1. That the district superintendent be granted vacation and other times off in accordance with the stated schedule recommendations for pastors.
2. That the district reimburse board and committee members for travel expense at the current IRS standard rate and that district N.M.I., N.Y.I. and Sunday School Ministries follow this same schedule.

## **VII. ALABAMA CITIZENS ACTION PROGRAM (ALCAP)**

Each church is encouraged to put ALCAP in their annual church budget, or to receive an offering for the work of ALCAP on ALCAP Sunday, which is the second Sunday of October. Each church's minimum goal for this offering is to be \$1.00 for each person in average morning worship attendance as reported on Pastor's Annual Report. Send money to the District Treasurer with check made payable to the district marked for ALCAP.

Respectfully submitted,

LEWIS R. MARTIN, District Secretary HOWARD J. WILSON, Chairperson
